WE ORGANIZE RACES IN PARIS SINCE 1981 AND WORLDWIDE SINCE 1977

Sri Chinmoy Marathon Team organizes many ultramarathon events in Europe, USA, Australia, in Russia: 50 and 100 km in Perth, 6 h in Amsterdam, 13 and 24h in Moscow, 24h at the stadium in London, 6- and 10-day races in New York and many more, including the annual longest race in the World 3100 mile race (4987 km).

Among many marathons that we stage in the World, starting from year 2002 we hold a marathon around a beautiful Rockland lake near New York.

In France, 2021 marks the 31th edition of the 100 km. In 1992 Denis Gack set the record of 7h13'20" for the 100km, and in 1991 Huguette Jouault, the 5 time French champion of the 100 km, set the record for women with a time of 8h14'59". In 2012, Emmanuel and Anne-Cécile Fontaine beat the records in the 50 km for men and women with the respective times of 3h38'46" and 4h20'44". Anne-Cécile Fontaine is the two-time French Champion of the 100km and two-time World Champion of the 24 Hour race.

The 2 mile races are organized in many countries by the SCMT. The best time, 8'25 " was set in Russia by Andrey Lofinov in 1997. In Paris, these races have been held since 1985. The best time of 9'42" was set in 2008 by Laid Bessou.

For further information and registration, do not hesitate to contact us by email, phone, on our website, or come to one of our races.
